

# Tobacco Prevention Resources

## How to Order Tobacco Prevention Incentives

### 1. How?

- Each school has a budget of **\$50** to use on tobacco prevention incentives
- View the list of incentive items currently available on the Gold Medal School website [www.hearthighway.org/gms](http://www.hearthighway.org/gms)
- Discuss with your school coordinator which items are appropriate for your school
- Use these incentives only as a reward for kids who do something related to tobacco prevention (i.e. sign a contract to be tobacco-free for life, answer a quiz about tobacco facts, participate in a “tobacco-free” themed activity)
- Send completed order form to your Local Health Department

*\* Please send one order form per school!*

### **IMPORTANT!**

- Items are not guaranteed to be in stock at all times. We will let you know if the items you have ordered are not available and will update you on new incentive items as they arrive
- Allow 3-4 weeks for delivery
- Be sure to coordinate with the Tobacco Prevention and Control contact at your local health department!
- Incentives are on a limited availability and are on a first come-first serve basis

### 2. Why?

- Get kids excited about tobacco prevention!

### 3. When?

- Use the \$50 for each school by May 2, 2008 (Limited Availability)

### 4. What if the items our school wants exceeds the allotted \$50?

- After \$50, you or your school will pick up the remaining amount
